Miss Pauline Collier,
State College of Agriculture,
Athens, Ga.

My dear Miss Collier.

I wrote you along in August to kindly send me your father's family record, but have not heard from you. If you can do this, would appreciate it, as I am doing my best to locate all branches of the Collier family that are descendants of Vines Collier, who came from Virginia to Georgia in 1760.

With very kind regards, I remain

Sincerely yours,
